

Secretary's Message 2020

First of all I would like to thank Brad Stuckey for getting the archangel club back on its feet and going again. and his hard work for the past 2 ½ years as are secretary. Also, for promoting are breed Thank you Brad. Second, I would like to introduce myself for those who don't know me. My name is Mike Tempel, I have been in the pigeon hobby around 30 years and have had archangel for 20 years. I am currently raising copper black wings, gold blue wings, and self- reds. The past 5 years I was the poultry super for our county fair. I enjoyed working with the kids, there bird projects and my youngest son and his bantams and pigeons. He is in his first year of college and doesn't have birds now. So now it is my time to get back to one of my passions pigeons and our great hobby. I hope I can do as good of job as brad did as our new secretary. At this time, I would like all of are club members to know that I am trying to put together a club directory. So, I am asking for your help. Please send me a email or letter, phone call etc. and let me know what colors, patterns, and variations of archangels you have at this time and all contact info. This is to help all are member and archangel breeder find birds they need and to improve and enhance the quality of are breed. Also, I would like to thank my other half Teresa for being my tech support person she is dearly appreciated.

Thank You,

Your Secretary
